 - CWNA has clean-up supplies if other NA's need to borrow
 - ABNA - Jeff -
 - Compass Corner, continuing sage: application was closed as applicant had not met all the documentation requirements, resulting in 3rd NA meeting in 2.5 years. Property still listed for sale. Jeff to connect Mike's contact with the updated public meeting info.

- Noted construction vehicles are parking over by Sun Country and Pancake House adding to parking issues near OSU. Additionally the clients of Sun-Country tours are adding to the congestion.
- Jeff-ABNA
 - Noted how bad roads near 14th street are, in terms of surface streets and (Lisa) noted parking issues. While this affected many of us driving through River West, this is a particular neighborhood issue. For status updates around road construction projects, you might find info here:
